

ATRIUM

We found an inspiration in those trapezoid bays (boxes) in atrium.

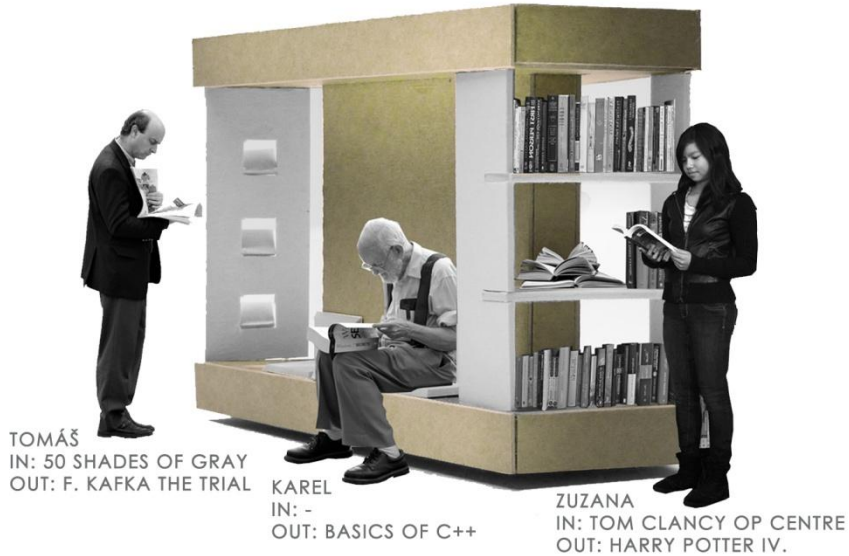

MUSIC BOX

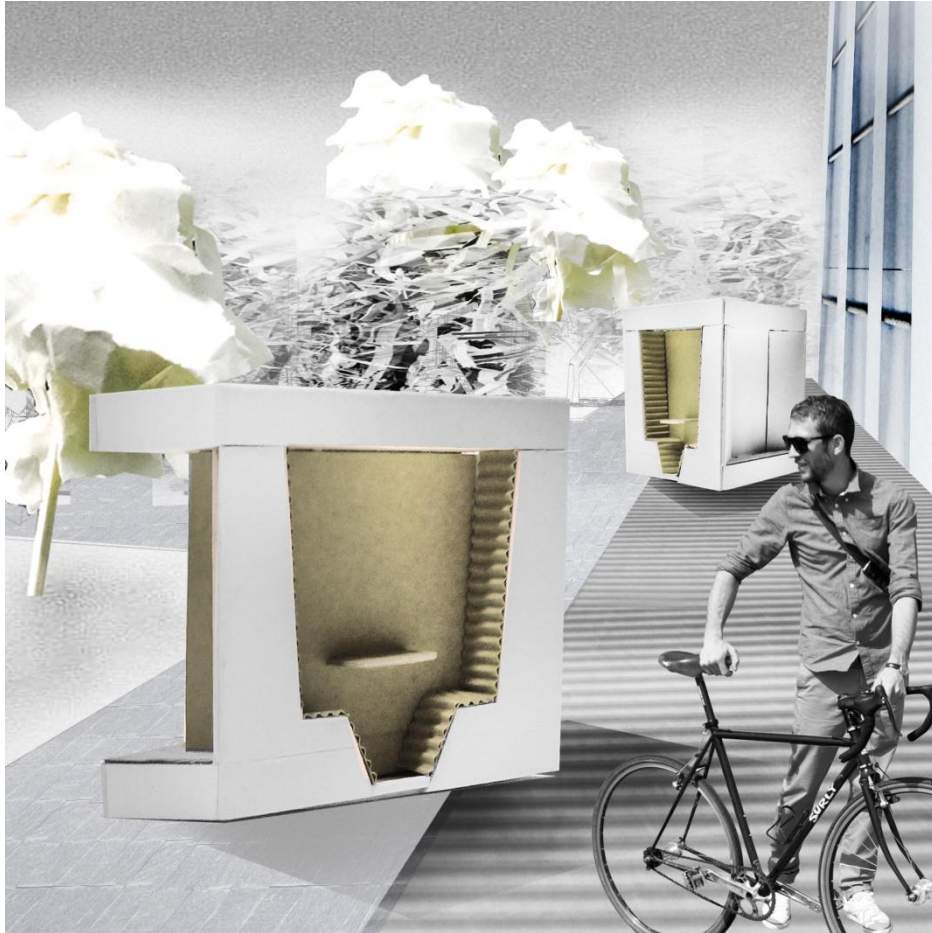

You can use music to relax and to show your individuality because each headphones play different kind of music so people can see what you like.

BOOK SHARING

Borrow a book if you have nothing better to do or leave here one for your colleagues.

GARDEN

We make just another architectural layer in the building, we absolutely respect the existing project.

OUTDOOR BOX

Movable boxes allows you to make yourself comfortable wheather you work or just relax.
